#### 5 Easy Steps for Essay Writing

Throughout your life at college, you will always come across a professor who likes to give out topics for essay writing. This can't be helped except do the assignment yourself and hope to impress the professor with your writing prowess. However, writing an essay is not a simple feat. In fact, when you think about it, your essay grade could make or break your academic career.

Essays may seem to be just an assignment to some. However, essay writing is more than just that. It is a great tool that every person should learn how to use correctly. An essay is an avenue where you can conveniently have your voice heard by an important audience. More than just making it as a requirement, you can use it to impress another person, like your teacher, and show him how wonderful your mind is. Use it as communication tool to which you can freely express whatever you felt towards a certain idea. Nobody can steal your thoughts nor influence your ideas towards something. Writing an essay is the best way to showcase your knowledge and make other people see how interesting you are as a person.

Learning how to write the perfect essays may seem tough. This is true but not if you know the basic steps for essay writing. Having a guide on how to do them right will somehow ease you out of such a dilemma. Mastering just six easy steps will make you write like a pro and having commendable essays will be very achievable.

1. **Determine the context of the essay.** This basically means to identify the heart of the essay. One way to ace this task is by determining parameters for the topic. You can start by deciding who the audience should be, will it just be the teacher or will it be directed towards a specific populace like the children, perhaps?

Another parameter to define is the format of the essay. You should know the rules set by the teacher and follow them to get the best grade. Usually, the professor will provide you the topic but it is your job to pinpoint the focus of your essay. If in case you will be given the freedom to write for your choice of topic, make sure to have one that you are passionate about. Choose a topic that fires you up, so to speak. If you have a topic which you are so passionate about, doing the rest of the essay will be a breeze. You will not have difficult time learning about the nature of the topic nor have a hard time composing your sentences. This will give you a lot of advantages especially when you are still at odds on what to write about.

Another key to having the best topics for any essay is by determining which side of the argument you will most likely go to. Do you want to stay on the safe zone and write positively for a topic that you like? Or are you the kind of person who wants to challenge a certain idea? Whichever side you are on, what is most important is that it will propel you into forming solid ideas that will define the context of your essay.

2. **Research about the topic.** Essay writing is not all about giving your take on the matter. Well, you have to give your idea about it but you have to base it around truths from credible sources.

### Essay 1: Combating the Cult of Thinness

Why would a frightening percentage of American women gladly trade five years off their lives for 10 pounds off their bodies, or prefer to be perceived as thin rather than as kind or intelligent? This obsession with thinness needs to be understood if we are to avoid the consequences, which are often tragic. Beyond this, there are further steps that ought to be taken so that women can have a healthier and more positive sense of themselves.

It is no wonder that American women are obsessed with thinness. From a very young age, it is emphasized to women how important it is to be pretty, and to be pretty by society's standards means being thin. This blatant message is seen everywhere. Not only do images in magazines, TV commercials and billboard posters put an exaggerated emphasis on women's bodies, they also hold up an ideal of thinness that is almost impossible to attain. Computer-enhanced photography employs techniques such as airbrushing blemishes and slenderizing the bodies of models. This adds to the creation of an ideal model that women strive to mimic.

American society's prescription of what it means to be feminine needs a rewrite. Current definitions of femininity are dictated by a social system that gains control over women by defining them primarily in terms of their bodies. In order to see change, women must challenge the industries that feed upon body insecurity. They need to change the messages that women absorb daily. One method would be to stop purchasing the very fashion magazines that have been allowed to define femininity. Large-scale boycotts of these fashion magazines can lead to major change of the feminine ideal.

Another method that can be used to alleviate the emphasis placed on the ideal figure is through education. Women need to realize that the images seen in advertisements and on television sitcoms are not the norm. The average American woman is 5'4", a size 12, and 155 pounds. Women

One of the most frequently asked questions is how to write essay on any topic. Apart from giving essay assignments for classes, students are asked to write an academic essay when in one day they decide to apply for a grant or scholarship, or when they participate in some kind of a contest. Regardless of the essay purpose, many students find this task challenging and thus are eager to know how to improve writing English essays.

When a student has to submit a large essay, it is important to break the very process of writing into parts (as you break a long-term goal into a few short-term ones). In one day, you will manage the task more effectively.

Regular writing helps students shape their thoughts into well-formulated sentences, aids in effective communication, and generally assists in fast writing. For example, if you have much practice in writing, you can write an essay in 5 minutes or less (i.e. a short essay, but still – an essay!). Many bloggers or other online writers claim that they are engaged in writing, as they want to benefit the community or to share their knowledge and experience. Personally, I have a more selfish approach to writing – I write because it helps me in writing correctly and succeeding in an exam.
